## **Tank Payments is Selected as a Preferred Vendor by the International Factoring Association**

**San Luis Obispo, CA, September 14, 2023** –The International Factoring Association (IFA) has added Tank Payments to their preferred vendor program. Tank Payments will offer a special discount available only to IFA member firms. All companies in the preferred vendor program undergo a rigorous screening process before being selected and are subject to ongoing monitoring.

Tank Payments is a payment engine and card platform designed specifically for factors. Tank Payments is compatible with all factoring management systems, enabling factors to fund clients instantly into Tank digital wallets, fully automate client funding, and build new revenue streams from custom credit card programs. Information about the company and its services is available at [tankpayments.com](http://tankpayments.com).

“We are excited to welcome Tank Payments to our preferred vendor program,” said Tania Daniel, Executive Director of the International Factoring Association. “We continue to grow the preferred vendor program with additional providers of high-quality services for our members.”

For more information about the IFA’s preferred vendor program and to view a listing of preferred vendors, please visit [www.factoring.org](http://www.factoring.org).

### ***About the International Factoring Association***

Incorporating a vast network of more than 425 corporate members, the International Factoring Association (IFA) proudly stands as the global leader among associations for commercial finance enterprises. Our esteemed membership encompasses a diverse range of industry players, including independent factoring firms, bank owned factors, and other prominent receivables finance organizations.

IFA's core mission is to empower the Factoring community with cutting-edge resources, advanced training, substantial procurement advantages, and a centralized hub of knowledge and support. Since our establishment in 1999, the International Factoring Association has consistently served as a dynamic platform for member organizations to convene, deliberate on pertinent issues, exchange best practices, disseminate vital information, and advocate for a unified voice within the marketplace. For more information, visit [www.factoring.org](http://www.factoring.org).
