International Factoring Association Announces Partnership with Health Insurance Broker LIG Solutions

San Luis Obispo, CA, September 25, 2023 – The International Factoring Association (IFA) announced a new partnership with LIG Solutions (“LIG”) benefiting IFA members. LIG will offer comprehensive health coverage options for IFA members through its Association Health Program, including major medical insurance, short-term policies, Medicare/Medicare Advantage plans, and Group/ICHRA solutions to individuals and businesses across the United States.

“Our members tell us having a robust health benefits program that balances cost with benefits is a big challenge, especially for small to medium-sized employers,” said Tania Daniel, Executive Director of the International Factoring Association. “With this partnership with LIG Solutions, we can play a part in solving that challenge for members. Our diverse mix of IFA member firms can benefit from additional health coverage options to attract and retain top talent in this tight labor market.”

LIG will provide members of the IFA with hands-on advisory solutions and a wide range of insurance products through a robust network of direct carrier partners, state and national ACA exchanges, and other solutions.
