David Jencks, Esq. Named as General Co-Counsel to the International Factoring Association

San Luis Obispo, CA, January 8, 2024 – The International Factoring Association (IFA) has named David J. Jencks, Esq. of Jencks Law, P.C. as co-general counsel to the organization. Mr. Jencks will join existing co-general counsel Steven Kurtz, Esq. partner of Levinson Arshonsky, Kurtz & Komsky, LLP, Michael Ullman, Esq. partner of Ullman & Ullman, P.A. and Robert Zadek, Esq. of counsel at Buchalter. IFA co-general counsel members play a crucial role in ensuring legal compliance, protecting the interests of the association and its members, and contributing to the overall success and sustainability of the organization.

For nearly twenty years, Mr. Jencks has been a keynote speaker at the IFA's Annual Convention and Transportation Factoring Meeting. In addition, he has conducted various training sessions and webinars covering diverse aspects of Transportation Factoring including account management, debtor credit, technology, fraud, risk management, problem loads, billing and legal issues.

"David's unwavering commitment to the IFA and our members, coupled with his extensive knowledge in transportation factoring, renders him an invaluable asset to our industry," said Tania Daniel, Executive Director of the International Factoring Association. "We express profound gratitude for his steadfast support, which enriches and strengthens our community."

Mr. Jencks represents banks, factors, asset-based lenders and finance companies in commercial transactions and commercial litigation in state and federal courts nationwide with a particular focus on transportation factoring. He represents Factors, Brokers and Motor Carriers in transactional and litigation matters. He is a member of the Transportation Lawyers Association and Delta Nu Alpha, the professional fraternity involved in the continuing education of transportation professionals. David earned a Bachelor of Arts Degree at the University of South Dakota and he holds a Juris Doctorate from Hamline University.

About the International Factoring Association

Incorporating a vast network of more than 425 corporate members, the International Factoring Association (IFA) proudly stands as the global leader among associations for commercial finance enterprises. Our esteemed membership encompasses a diverse range of industry players, including independent factoring firms, bank owned factors, and other prominent receivables finance organizations.

IFA's core mission is to empower the Factoring community with cutting-edge resources, advanced training, substantial procurement advantages, and a centralized hub of knowledge and support. Since our establishment in 1999, the International Factoring Association has consistently served as a dynamic platform for member organizations to convene, deliberate on pertinent issues, exchange best practices, disseminate vital information, and advocate for a unified voice within the marketplace.
